**Memorandum**

San Francisco Bay Restoration Authority

**Subject:** Agreements and Payment of County Fees for Collection of Measure AA Parcel Tax

In June of 2016, The San Francisco Bay Clean Water, Pollution Prevention and Habitat Restoration Measure authorizing a parcel tax of \$12/year (“Measure AA”) passed with over a two-thirds majority in the nine-county San Francisco Bay Area. The process for collection of the Measure AA parcel tax is anticipated to begin on July 1, 2017. To commence the process, each of the nine counties requires the Authority to execute certain agreements and/or forms and to pay a fee to cover the cost of the tax collection. Each county requires different agreements and/or forms, and each uses a unique formula to calculate their fee.

NBS, the Authority’s parcel tax administrator, has prepared a table showing the estimated number of parcels in each county along with each county’s fee formula. NBS presented the table at the Authority’s February 10, 2017 meeting. A column has been added to the table by staff to show each county’s fee as a percentage of the levy, so that the rates can be compared between counties.

* Column added by staff to allow for comparison between counties						

At its February 10, 2017 meeting, the Authority requested that the Executive Officer and the Governing Board members seek to obtain reduced fees from the counties charging the highest fees: Contra Costa, Marin, and San Mateo. Negotiations with these counties are currently in progress and have been separated out in the lower section of the table. Given that the Authority needs to execute agreements and/or forms by mid-June at the latest, staff recommends that the Authority give the Executive Officer authority to agree to pay Alameda, Napa, San Francisco, Santa Clara, Solano, and Sonoma Counties based on the fee formula shown on the table, and to agree to pay Contra Costa, Marin, and San Mateo based on a formula that the Executive Officer determines is the lowest fee obtainable from these counties.

Staff also recommends that the Authority authorize the Executive Officer to execute the agreements and/or forms required by each county to commence tax collection. The agreements and/or forms required by each county vary.

Recommendation

Staff recommends that the Authority adopt Resolution 30, which authorizes the Executive Officer to execute agreements and/or forms and to agree to pay fees charged by the nine counties to collect the Measure AA parcel tax.
