

Attachment 2:

Funding to Economically Disadvantaged Communities

The chart below shows the percentage of Authority grant funds that benefit Economically Disadvantaged Communities (EDCs) through Fiscal Year 23-24.

Geographic Distribution of Funds Authorized through FY 23-24			
	% to EDCs	Benefitting EDCs	Total Funding
North Bay	26%	\$8,540,633.44	\$32,314,318.44
East Bay	49%	\$17,281,802.86	\$35,165,709.86
West Bay	67%	\$13,969,468.00	\$20,903,733.00
South Bay	7%	\$4,839,406.00	\$66,636,079.00
Baywide	0%	-	\$8,903,704.00
Total	27%	\$44,531,310.30	\$163,923,544.30

Note: While 27% of overall *funding* is benefiting EDCs, the percentage of *grants* and *projects* is higher. One project can contain multiple grants (phases).

Benefits to Economically Disadvantaged Communities, Cumulative Fiscal Years				
Percentage of grants providing benefits to economically disadvantaged communities	Percent of Grants	62%		
Performance Measures	Unit	Amount Benefitting EDCs	Total	% Benefitting EDCs
Projects Authorized by the Governing Board	Projects	29	41	71%
